SCHRADE RADICAL BEAR HUNTER KNIFE

TOP RATED CATEGORIES: QUALITY, SHARPNESS OF BLADE, APPEARANCE

AVERAGE RATING: 8.8

This knife was designed for Old Timer/Schrade by outdoor writer and Radical Bear Hunter, Dick Scorzafava. The Radical Bear Hunter knife features a low-profile gut hook and a sturdy notched thumb rest that allows for complete control over the 4.40 stainless-steel blade that measures 4 inches in length; the knife is 9½ inches overall and sports a Safe-T-Grip handle. Nylon sheath included. Contact Taylor Brands, LLC. at: (800) 251-0254; taylorbrandsllc.com. (\$40)

"The knife was sharp right out of the box, and the gut hook works great. I've never had a curved-handled knife, but the fit is good, and it's very comfortable to use."—PAT O'LEARY/RIVERSIDE, CA

"This is a great skinning knife; the gut hook design stays tucked away until it's needed, with none of the snagging or hooking like other gut-hook knives I've used."—TERRY RICHEY/WALLINGFORD, CT

SITE LITE SL-100 MAG LASER BORESIGHTER

TOP RATED CATEGORIES: QUALITY, PERFORMANCE, APPEARANCE

AVERAGE RATING: 8.9

The SL-100 Mag Laser Boresighter uses the latest technology to provide superior boresighting accuracy thanks to strong magnets in the arbor that securely center the laser within the muzzle for consistent accuracy. A unique system of adapters and O-rings fit .22 to .50 caliber handguns and rifles, 20 and 12 gauge shotguns, and muzzleloaders. Contact Concept Development Corporation at: (800) 472-4405; sitelite-lasers.com. (\$99.95)

"I highly recommend the SL-100 Mag Laser Boresighter to anyone who owns a firearm and is serious about shooting. It's easy to use and dead-on accurate."—RICHARD CROTTEAU/RICE LAKE, WI

"I used this boresighter on everything from an M4 carbine to a .50 caliber machine gun and have never had a boresight that was so close to an actual zero from shooting live rounds."—LEVI HAMBY/RICHLAND, WA

THERMACELL OUTDOOR LANTERN

TOP RATED CATEGORIES: EASE OF USE, APPEARANCE, PERFORMANCE

AVERAGE RATING: 8.4

The ThermoCELL Outdoor Lantern gives the ultimate protection from biting insects and provides soft lighting at your home or campsite with its eight LED lights (AA batteries not included). The lightweight 6- by 11-inch lantern features an easy-grip handle, one butane cartridge and three repellent mats for up to 12 hours of protection each to provide a 15- by 15-foot mosquito-free zone. Contact ThermoCELL at: (866) 753-3837; thermacell.com. (\$31.99)

"My wife could not handle sitting around the campfire until the ThermoCELL was activated. But once it was activated, the bugs appeared to move away from the area and were no longer a problem."

—CHRIS TETLOFF/SAGINAW, MI

"My daughter and I went camping on Father's Day weekend and I had to use the ThermoCELL. Wow! It worked great and the bright light is fantastic."—DONOVAN BAUER/ROCHESTER, MN
